Wesley Nguyen

425-394-2002 | wesngu028@gmail.com | Renton, Washington | github.com | LinkedIn

Self-driven and dedicated student looking for an internship to learn the ins and outs of the technology and software worlds and learn, acquire, and refine valuable skills.

Skills

Willingness to Learn	Self-Motivation	Python	Java
	JavaScript	HTML/CSS	QGIS

Education

University of Washington | Geography Data Science

09/2019 - Present (expected graduation June 2023) | 3.6 GPA

Notable Coursework: Computer Science I & II, GIS Database and Programming, GIS Data Management, Digital Geographies, Introduction to Machine Learning, Web Programming

Dean's List Autumn 2020, Winter 2021, Spring 2021

Projects:

- Created an ArcGIS story map, analyzing and mapping the distribution of Forbes companies and noted key changes and trends

Bellevue College

09/2017 - 06/2019 | 3.7 GPA

Hazen High School

09/2015 - 06/2019 | 3.95 GPA

Experience

Amazon Fresh | Overnight Associate

5/2021 - Present

Fulfill a wide range of tasks. Taught skills beyond expected of other associates, including working closely with management in helping them respond to technical tickets.

Target Corporation | Fulfillment Expert

10/2020 - 1/2021

Fulfilled online orders. High-performance on hourly item pick and total pick metrics.

Newport Hills Swim & Tennis Club | Lifeguard & Junior Coach

03/2018 - 09/2020 | 06/2014 - 07-2017

Helped the coaches with making sure that the swim season could flow properly. Cooperated with other junior coaches to make sure operations went smoothly. Ensured the safety of pool patrons and worked as a team to make sure facility rules were in practice.
